GOOD FOOD, GOOD MOOD

Each spring we eagerly begin the process of designing our annual holiday menus. Taking inspiration from the season, we experiment together in the kitchen until our winter menus reflect a blend of exciting new concepts and traditional seasonal favorites that have made Occasions a Denver institution for fifty years.

As you flip through this lookbook of our holiday favorites, you'll notice the distinctive influence of the Rocky Mountain region. From Colorado produce and meats to local craft cheeses, we feature the best of our burgeoning Rocky Mountain food industry.

Please note: The menu pricing included in this packet covers the food portion of the catering bill. Service staff, equipment, administrative fee and sales tax are additional, as these and other charges are unique to each event. Certain minimum event values apply to high volume holiday dates.
